

Business

Look for more sheets on other subjects.

Are there enough businesses in our parish?

Should businesses be encouraged to locate and grow in the Stukeleys? Should new businesses be restricted to Alconbury Weald?

Small businesses - yes - work closer to home

What sort of business is suitable for locations inside our existing villages?

Small businesses

Are there types of business we should be attracting to Alconbury Weald?

Hi tech

If Alconbury Weald had a rapid connection to Cambridge it would help - as would a ^{rail} station

Development

Look for more sheets on other subjects.

What is your view of major developments planned and proposed for our parish?

Alconbury Weald? Northbridge (between A141 and Great Stukeley? Extension of the Ermine Business Park (by Spittals roundabout)? RAF Alconbury?

Alconbury Weald seems well planned + inevitable
Northbridge - scrap it - too much like a ribbon development

No to extension of Ermine business park as it will create too much traffic and make a ribbon development

What sort of development is suitable for inside our existing villages?

Affordable housing? Retirement homes? Family housing? More flats? More bungalows? Increased use of small undeveloped plots?

Increased use of small undeveloped plots - making the village more of a nucleus

There is a need to attract more of a diverse community - we need a mixture of housing and there is a demand for non-estate family houses i.e. not all on Alconbury Weald

What other development would you like to see in the Stukeleys?

Maintain the villages identity by adding houses as infill but avoiding spreading down to the Stukeley Meadows

Employment

Look for more sheets on other subjects.

What is your view of employment opportunities in our parish?

Is there enough work available in the parish? Is it OK that most employment opportunities are outside of our parish? Would you like to see more businesses employing people in our parish?

In an ideal world more businesses would be good - but in practice Stukeleys have to be dormitory / commuter villages. Alconbury Weald and good pedestrian / cycle access would solve the problem - but then we need more and tasteful housing in the villages to attract more high-tech types.

What sort of employment opportunities are suitable for locations inside our existing villages?

Small businesses - eg craft or tech based
a craft bakery?
A cheese maker (suggested for the underground buildings in Alconbury Weald)
? market gardening on fields between Alconbury Weald and the Stukeleys

What other employment opportunities would you like to see in our parish?

Alconbury Weald businesses should be maximizing employment opportunities for local as well as distant people. Ideally businesses there would provide apprenticeships to encourage local participation if the local people do not already have skills

Green space

Look for more sheets on other subjects.

Do we have enough green space in the Stukeleys?

Yes
Some could be planted as woodland

If we need more green space where should it be?

No need for more green space - need for foot/cycle paths to access existing space and connect with wood land at Abbots Ripton / Roaks Wood which is an under used facility

If we have too much green space which areas could be developed for other uses? What would those uses be?

Some green plots between houses could be developed for housing

Some could be used for eg. market gardening or small businesses - as long as they don't generate too much traffic

Should we be identifying permanent green space between the villages and existing and proposed developments?

Use the maps to show us where these green buffers should be.

Yes - buffer between Gt Stukeley (Green End) and existing Ermine business park.

Health? Education? Police? Waste & refuse? Grass cutting? Grounds maintenance?

Good local surgery!
Waste collection good

The bushes along the main footpath from
Altonbury Weald to Hunnydon need cutting!!
Good community policing - helpful CPO

What do you not like about public services in the Stukeleys?

What's missing? What could we do with more of? What public services do we have that we could do without?

Poor street lighting

How would you change public services in the Stukeleys?

In an ideal world, what would be different about our public services?

Not sure if it is a service, but provision for
more footpaths, cycle/bride ways
How about encouraging transport sharing?

Retail outlets

Look for more sheets on other subjects.

We currently have no shops in our parish – is that OK or would it be better if we had some shops?

If you would like shops in the parish, what sort of shops?

It is ok - we should have good links (cycle / foot path / bus links) to Alconbury Weald where there would ideally be all facilities (supermarket / post office / shops)

Would you recommend any changes for the hotel and pub in Great Stukeley?

Yes. Paint it a better shade of pink.

What retail premises would you like to see at Alconbury Weald?

Quality supermarket, village type independent retail (farm shops? (maybe similar to the centre south of Cambridge - Barton) potentially craft shops - would attract people to the area plus some gym / activity / kids games outlets and good quality eateries (not the naft stuff like near Cine world!)

Impossible to get down to Spittal
and sometimes to Alconbury

What changes would you make in the Stukeleys to improve traffic conditions?

Ensure that Alconbury Weald road out to
Tesco's roundabout is built ASAP
Encourage cycling / walking !!
Better cycle paths.
